

It all adds up!

**\$6 on
the 6th
of each
month**

It all adds up!

Some of us spend more than \$6 each month on lottery tickets or coffees. If you can donate just \$6 each month, you'll be helping a family get to the nursery when the **gas** tank's nearly empty, or provide them with **diapers** when there's two more days until payday, or help them give a **birthday** cake and present to their child.

\$6 can make all the **difference** in the world to a family in crisis.
